Dear Families

Our first full week! I think some of the children will sleep very well this weekend. Thank you for respecting all the expectations before and after school. We will continue to review this and if we can improve anything we will action promptly.

At this time of year, we need to address any issues within school. The letter is not designed to nag people but communicating important reminders is important. This is the time of year to get these things in place.

All Families will receive a welcome letter from their Teaching Team today. This shares key information about the class and gives an insight into what the children will be learning. Some year groups will receive printed copies and an email version, other year groups will receive an email. The files differ in size.

Parking

We have already had several heated discussions near to the school. People must park in a respectful way. If you can walk to school – please do this.

Uniform and children's belongings

Please can we ask all families to label clothes with their child's names. We also need lunchboxes labelled. This is very important.

Ordering School lunches

When ordering school lunches can families order their child's lunch by the Wednesday of the previous week. For example, if you wanted your child to have a hot lunch on Monday 27th September, the school and the kitchen would need this order by Wednesday 22nd September. Lots of families have been trying to order a school lunch on the same day. Linda is a superb cook and very organised, but they have to order food in advance.

Home School Agreement

We will be sending all families a printed copy of our home school agreement on Monday. This sets out how we would like families to interact with the school. We recognise juggling parenting, work commitments and keeping on top of life is not easy. If you could spend some time next week looking through the agreement and sign. The home school agreement can be returned to the class teacher.

Have a good weekend.

Kind regards
Mr Isherwood
