Dear Families

Thank you so much for taking time out to come and see the children at the Jubilee Festival last Friday. There was a very positive atmosphere and the children were super.

Safeguarding Update

We have reviewed within school how children are collected. Please read the following carefully. We have provided a paper copy of this letter as it is very important.

1. Parents to stand back and wait for their child to be released to them from the teacher in charge.
2. Parents should not be summoning children over to them.
3. If parents need to speak to the teacher, then you must wait for most of the children to be dismissed or email the school office.
4. If another adult is collecting your child, this includes arranged playdates, you must inform the class teacher at the beginning of the day OR contact the school office before picking up.
5. If an unknown person is collecting your child, this must be communicated to the class teacher before picking up and they must have the safeguarding password. If they do not have this password then the child will not be released to them.

Please be mindful that by following the above, this will help children get home safely at the end of the day.

PE Kit

We shared an update regarding PE uniform at the school a few weeks ago. I have had lots of communication regarding this. I have listened to feedback. The children will be allowed to wear cycling shorts, sport shorts or skorts from this point. This will apply to boys and girls. We will also be looking at ways in which our school uniform can be promoted as being gender neutral.

Have a great weekend.
