Dear Families

What a lovely week. Let's hope the decent weather continues.

An image that we have promoted in assembly this week.

Sports Days – Early Years and KS1

Thank you for being able to attend the two Sports Days we held this week. The Reception, Year 1 and 2 children were all highly engaged. Your support is so important on a day like this. I would like to thank all of the key stage 2 children who did a superb job in guiding the younger children through the activities. Mr Latham always organises such well drilled events; he has ensured that our children look forward to days like these. All the children gave their best.

The Year 3,4,5 and 6 Sports Day takes place on **Tuesday 5th July**. We will begin this event at 9.15am. Parents can drop children off as normal and then sign into being at school by the field. We will bring the children out promptly. **Please remember that any videos or images taken must be for personal use only and not shared on social media.**

Coding Club

We will be re-launching our Coding Club this term. We will be initially contacting our Year 6 children about a short course. In the new school year, we will be sharing further details.

Reception

On Wednesday the children visited La Patisserie in Kidlington. The children made crown biscuits to celebrate the recent Jubilee. They all really enjoyed the visit.

Calculating Ingredients

Year 6 Residential

We were pleased with how the children behaved and worked at the two-day residential. It was an action-packed adventure. A cinema visit, abseiling, zip wire and a trampoline park – and loads of sleep in a tent! It was a successful trip – not without incidents. Two children were not very well. They were well looked after by our staff and by their friends, Hajrah and Evie must be mentioned at this point as they acted quickly as they put Gracie into a recovery position. We are so proud of them. Everyone has just about recovered. Thank you to Mr Earl, Mrs James, Mrs Scott and Mrs Gardner, they were a great team during the visit.

We would like to remind you that next week we are not in school on **Friday 1st July** as this is our late Jubilee holiday and also **Monday 4th July** is an INSET day.

KEY DATES

DATE	EVENT
27 th June 2022	Year 3 Workshop (Hall)
1 st July 2022	Late Jubilee Holiday
4 th July 2022	INSET DAY
