

PE & SPORT PREMIUM REPORT 2018-19

West Kidlington
Primary & Nursery School

**"Making our best
even better"**

WEST KIDLINGTON SCHOOL VISION FOR THE PRIMARY PE & SPORT PREMIUM FUNDING

Mission Statement

At West Kidlington Primary & Nursery, we have worked hard over the last 18 months to raise the profile of PE & Sport in the curriculum, both during and beyond the school day. Our work in this area has benefitted from government funding provided to primary schools, in addition to main school funding. Initially the funding was only to be provided for 2013-14 and 2014-15, but since has been extended until 2020. From September 2017 the Primary PE & Sport Premium funding will be doubled from £160 million per year to £320 million per year to help schools support healthier, more active lifestyles. This funding will enable us to make further self-sustaining improvements to the quality and breadth of PE and sport we offer. During 2017-18, we will focus on embedding a whole school approach to promoting healthy behaviours to better support children's well-being and mental health.

Sue Wilkinson, Strategic Lead from the Association for Physical Education (AFPE) said: *"AFPE is delighted to see that the Government is investing in the health and well-being of young people by doubling the funding for the Primary PE & Sport Premium, from September 2017."*

It is expected that schools will see an improvement against the following five key indicators:

- ✓ The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles.
- ✓ The profile of PE and Sport being raised across the school as a tool for whole school improvement.
- ✓ Increased confidence, knowledge and skills of all staff in teaching PE and Sport.
- ✓ Broader experience of a range of sports and activities offered to all pupils.
- ✓ Increased participation in competitive sport.

Context 2017/2018

For the 2017/2018 Academic year we received the School Games Silver mark just missing out on Gold with one of the criteria.

The School Games Mark is a government led awards scheme launched in 2012 to reward schools for their commitment to the development of competition across their school and into the community. Further, at the end of the month, as we finished for the summer holiday, we had confirmation of our success in gaining the Youth Sport Trust Gold Quality Mark (2016-2017 for two years). As a school, we had to audit and demonstrate our commitment to delivering the best possible sporting experiences for children at our school; that PE is embedded; and that all children are enjoying and living healthy lifestyles through PE and sport. PE and sport are at the very heart of school life at West Kidlington; there are a whole range of educational, health and wellbeing benefits from delivering high quality PE and school sport, and we see on a regular basis, that when it is delivered well, it can transform the lives of pupils.

DETAILS OF HOW WE SPENT OUR 2017-18 PE & SPORT PREMIUM FUNDING

During 2017-18, in addition to part funding the cost of a specialist PE teacher to deliver high quality PE lessons across the school, we have allocated budget funds to:

Buy into the North Oxfordshire School Sport Partnership. This has brought the following benefits:

- ✓ Access to a School Games Co-ordinator to support the school to improve its provision of PE and sport. .
 - ✓ Increased pupil participation in school games, and inter-school competitions and tournaments.
 - ✓ Provide a well-managed school sport partnership structure that is over seen by school sports co-ordinator.
 - ✓ Facilitate regular networking opportunities for the PE Co-ordinator.
 - ✓ Support the development and delivery of intra-school competitions and festivals.
-
- Purchase specialist equipment and teaching resources.
 - Purchase new playground equipment for the children to use at break and lunchtimes.
 - Offer a Change4Life Club, helping children build a healthier lifestyle.
 - Provide places for pupils at after-school sports clubs and holiday clubs.
 - Run Intra School Competitions

We have engaged with quality assured coaches to provide an increased range of opportunities beyond the curriculum for PE & sport to enrich and enhance the experience of pupils and encourage increased participation. During 2017-18 these have included the following after-school clubs: Jujitsu and a variety of different sports run through Club Energy.

Progress against 5 key indicators:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles – Enhanced our links with local clubs through NOSSP competitions, which has led to pupils joining both external clubs and after school clubs. Our very own Change 4 Life club is delivered each week by our PE specialist which aims to target the less active children within the school.
2. The profile of PE and sport being raised across the school as a tool for whole school improvement. 100% of teachers have had access to our PE specialist's resources throughout the year. We hold a celebration assembly each week to ensure the whole school is aware of our sporting and physical achievements, in turn we hope to inspire all of our pupils to fall in love with leading healthy lifestyle. PE specialist has attended Primary PE Days and fed back ideas gained to whole school. PE notice board and PE newsletter updated each half term to highlight sport to pupils, staff and parents.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport. - All teachers have had access to the resources of PE specialist throughout the academic year. NOSSP PE mentor (Lee Smith) has also provided support which has been fed back to staff members.
4. Broader experience of a range of sports and activities offered to all pupils- New sports were introduced into the curriculum such as dodgeball and handball. Our Change 4 Life club also introduced Lacrosse. In addition to these new sports, we have also introduced health related fitness lessons and activities during break time, cross country and leadership

lessons. Furthermore on a Monday after school we have set up a girls football club for years 4,5 and 6 (January 2019).

5. Increased participation in competitive sport- 100% of pupils attended festivals in 2017-2018 which was a fantastic achievement for the school. This year we currently have had more children attend festivals than we did the previous year. 100% of children from year 3 and 4 have attended a multi-skills festival in terms 1 and 2.

PE & SPORT PREMIUM FUNDING ALLOCATIONS

Since September 2013, all primary schools across England have received a share of the Government £150m per annum Primary Physical Education and Sport Premium. In September 2017 the total grant available was doubled to £300m. The funding is ring-fenced and must be spent on additional and sustainable improvements to the quality of PE and sport primary schools offer.

West Kidlington School have received **£19,350** for the current academic year.

£2,000 of our grant has been spent on our annual affiliation to North Oxfordshire School Sport Partnership (NOSSP). This affiliation gives West Kidlington School access to regular expert advice and support from a secondary PE specialist, quality assured professional development training for teachers and teaching assistants, termly networking opportunities for our PE lead, occasional input and support from qualified sports coaches, access to regular sports competitions and festivals including national School Games competitions, support with the development and delivery of primary Change4Life sports clubs, links to quality assured community clubs and leisure providers, data collection to help measure and monitor progress and impact and regular national and local updates relating to PE, children's health and well-being and school sport.

NOSSP affiliation also provides automatic primary Level 2 membership to Youth Sport Trust and a range of additional benefits and support including the Youth Sport Trust Quality Mark.

HOW WE INTEND TO SPEND OUR 2018-19 ALLOCATION

In September 2017 the decision was taken by senior leaders and the governing body to appoint a professional Sports Coach as a permanent fulltime PE teacher. This has had a significant impact on raising the profile of PE & Sport, on improving provision and in raising pupil participation in sporting activities. This spending is in addition to other sport related expenditure, for example buying into the services of an Extended Services Sports Co-ordinator with our local primary schools and providing extended swimming provision for pupils in Years 3 and 4. Our PE teacher delivers 50% of PE lessons across the school, as well as organising sporting activities at lunchtimes, delivering after-school sports clubs, attending all School Games Festivals and setting up and running Intra competitions in order to provide our children with a wider experience in physical education and activity. We will consider how we can spend the additional premium to further enhance our PE and sports facilities.

To ensure that our PE & Sport Premium is spent in the most effective way the following principles have been agreed by the PE & leadership team within school and the White Horse Federation in collaboration with transitional board members:

- ✓ Provide high quality PE & Sport delivered by a suitably qualified teacher.
- ✓ Extend our range of school sports clubs, including a Change4Life Club for our least active pupils.
- ✓ Increase pupils' participation in the School Games Programme.
- ✓ Support/fund free after-school clubs for all pupils
- ✓ PE mentor from Gosford Hill School/NOSSP
- ✓ Run a range of sports activities with other schools.
- ✓ Undertake monitoring and analysis to identify pupils who do not participate in sporting activities beyond the school day, and provide support and encouragement to enrol them in an activity of their choice.
- ✓ Monitor and evaluate spending of the Premium to demonstrate impact on outcomes for pupils.
- ✓ PE, leadership team and White Horse Federation to be actively involved in the decision-making and evaluation processes.
- ✓ Affiliation for NOSSP/Partnership Festivals

PE and Sport Premium Key Indicator	Focus	Actions	How many children will benefit	Evidence/ Impact	Sustainability/ Next Steps
<p>The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles</p>	<p>Monitor the physical activity levels of all pupils at school to ensure that all pupils are physically active for at least 30mins per day.</p> <p>Create targeted interventions for the least active pupils within the school.</p> <p>Continue to run and expand change4life club to inspire the least active pupils.</p> <p>Develop the use of playground leaders to raise</p>	<p>The running of the Change 4 Life club has targeted the least active children in the school providing them an opportunity to participate in a variety of different sports and physical activities</p> <p>The targeted interventions are based on the least active children during the school day. By selecting these children from our physical activity charts we can see which children are being less active and encourage them to be more active during break and lunch with a variety of games and challenges.</p>	<p>KS2 (206 children)</p> <p>Dependant on the number of children that are less active</p> <p>Between 8-15 children every 5 weeks</p>	<p>In term 1 we had an average of 56% of pupils participate in sports during lunch time and between 30-60 children participate in break time activities.</p>	<p>Continue to monitor the physical activity levels of all KS1 and KS2 children with the aim of have all children participate in 30 minutes of physical activity everyday whilst in our presence.</p> <p>Continue to run the Change 4 Life club for those that are less active. Seek new ways to encourage children to participate both during school and away from it.</p>

	physical activity levels across the school.				
The profile of PE and sport being raised across the school as a tool for whole school improvement	<p>Celebration assembly every week to ensure the whole school is aware of the importance of PE and Sport and to encourage all pupils to aspire to being involved in the assemblies.</p> <p>Extra notice boards in main entrance to raise the profile of PE and Sport for all visitors and parents.</p> <p>Role models - sporting personalities so pupils can identify with success and</p>	<p>Achievements celebrated in assembly (match results + notable achievements in lessons etc.) on a weekly basis.</p> <p>SL to action with all staff across the school creating new PE noticeboards and ensuring they are kept up to date throughout the year.</p> <p>Ascertain which personalities the pupils relate to and invite them into school.</p>	Whole School (310 children)	<p>Notice board displays in the hall and on the external wall of the year 3 classroom.</p> <p>Attendance of pupils during festivals and after school clubs.</p>	<p>Continue with the School Sports Termly Newsletter to engage both pupils and parents.</p> <p>Introduce Health related fitness in 2018/2019 academic year to educate pupils of the importance of being active and leading a healthy lifestyle.</p> <p>Continue to advertise and display PE achievements and information via the notice boards.</p>

	aspire to be a local sporting hero.				
Increased confidence, knowledge and skills of all staff in teaching PE and sport	Focus on up skilling staff (Lee Smith NOSSP Mentor/Scott Latham PE Coordinator) to continue to mentor teachers on a weekly basis. Increased training opportunities for lunchtime supervisors.	NOSSP mentor has worked with PE Coordinator. Carl Hamilton (NOSSP partnership manager) led training for 4 members of playground leaders in November 2017.	Whole School (310 children)	Session plans, practice ideas and the rules of the sports in our curriculum sent to all teaching members of staff. 1-1 PE advice through PE coordinator	Run internal CPD events for all teaching members of staff Run internal CPD events for all lunch and break time supervisors Increase PE lead staff knowledge through a variety of different courses
Broader experience of a range of sports and activities offered to all pupils	Continue to offer a wider range of activities both within and outside the curriculum in order to get more pupils involved. - Focus particularly on those pupils	We have recently introduced Dodge ball and Handball as part of our PE curriculum to provide the children a variety of sports.	Whole School (310 children) Change 4 Life Pupils (8-15 pupils every 5 weeks)	In term 4 all KS2 pupils will experience both Dodge ball for indoor PE and Handball for outdoor PE. The pupils on the Change 4 Life	Continue to offer a variety of different sports/activities through the change 4 life club. Continue with Dodge ball and Handball as part of our PE curriculum

	who do not take up additional PE and Sport opportunities.			club have also experienced Lacrosse	Advertise external community links on a bigger scale to promote sports around the local area.
Increased participation in competitive sport	<p>Ensure that a higher % of pupils attend NOSSP festivals.</p> <p>Introduce more competitive sports opportunities within extra-curricular sport.</p>	<p>Take all students to NOSSP festivals.</p> <p>Introduce more sports clubs to school so that pupils get more training for NOSSP festivals and hopefully qualify from more events thus increasing their competitive sporting opportunities.</p> <p>Join the year5/6 Kidlington Schools Partnership Football League.</p>	Whole School (310 children)	<p>In term 1 39% of KS2 children participated in a NOSSP Festival</p> <p>In term 2 43% of KS2 children participated in a NOSSP Festival</p> <p>The first competitive football fixture has been played with 3 more to come in terms 4&5</p>	<p>Advertise external community links on a bigger scale to promote sports around the local area.</p> <p>Continue with the Intra Schools competitions that run for KS2</p>

DATE	DESCRIPTION	HOW MANY PUPILS BENEFIT FROM THIS?	EXPENDITURE	IMPACT
Whole Academic Year	Scott Latham - Specialist PE teacher	Whole School	£17,040	Appointing a Physical Education specialist has a significant impact on the behaviour of the children and the experience we can offer the children here at West Kidlington. Our PE specialist has created an active environment which encourages the children to be active without making much effort. We have a wide range of sports and physical activities which have been set up and designed by our PE lead. Furthermore our PE specialist organises the additional sport in which we offer at the school. These include; NOSSP festivals, free after school clubs 3 times a week, after school fixtures, intra competitions, the change 4 life club, sports day and KS1 festivals and holiday camps during the half terms. Since 2017-2018 we have had a rise in the number of children that are active during play and away from school.
½ Academic Year	Lee Smith – Mentor	Whole School	£2,000	This affiliation gives us access to regular expert advice and support from a secondary PE specialist, quality assured professional development training for teachers and teaching assistants, termly networking opportunities for our PE lead, occasional input and support from qualified sports coaches, access to regular sports competitions and festivals including national School Games competitions, support with the development and delivery of primary Change4Life sports clubs, links to quality assured community clubs and leisure providers, data collection to help measure and monitor progress and impact and regular national and local updates relating to PE, children's health and well-being and school sport.
Whole Academic Year	Lee Smith - SSCO	Whole School	£2,000	This affiliation gives us access to regular expert advice and support from a secondary PE specialist, quality assured professional development training for teachers and teaching assistants, termly networking opportunities for our PE lead, occasional input and support from qualified sports coaches, access to regular sports competitions and festivals including national School Games competitions, support with the development and delivery of primary Change4Life sports clubs, links to quality assured community clubs and leisure providers, data

				collection to help measure and monitor progress and impact and regular national and local updates relating to PE, children's health and well-being and school sport.
2018	8 Goals – Variety of sizes	Whole School	TBC	Having these goals adds a more realistic experience for our children here at West Kidlington. We also use these goals for various break and lunch time activities such as; Football, Handball, Hockey and multi-skill practices.

IMPACT OF SPENDING ON PE & SPORT PARTICIPATION AND ATTAINMENT 2018/19

The additional funding we received in 2017/2018 provided us with a great platform to really enhance the children's experience of sport here at West Kidlington. With the introductions of multiple sports and physical activities offered in 2017/2018 there has been a dramatic response in our pupil's behaviour. With the respect they have been showing and the responsibility they are taking we are now able to further increase the range of activities in which we offer. A typical break/lunch time at West Kidlington would have you observing the children playing football, basketball, table tennis, tennis, handball, cross country and indoor activities such as parkour and dodgeball.

NOSSP IMPACT 2017/2018

- ✓ 649 primary children have participated in a festival from years 1-6 across the schools (last year we had 595 students participating in these 6 festivals so we have got 54 more children involved this year!). Which is nearly a 10% increase!

151 from pupils from West Kidlington (13% PP & 13% SEND)

353 Boys = 54%

296 Girls = 46%

- ✓ 77 children with SEND have participated which is 12% of the total. LAST YEAR ONLY 33 SEND CHILDREN TOOK PART IN THESE 6 FESTIVALS – SO THIS IS AN INCREASE OF 44 CHILDREN.
- ✓ 88 PP children have participated which is 14% of the total.

INCREASED PUPILS PARTICIPATION IN ALL SPORTING FESTIVALS (INTRA AND INTER)

EVENT	YEAR	NUMBER	IMPACT
Multi-Skills	3	55	Opportunity for children to participate in inter-school sports and really work on developing unity and respect for all involved.
Football	3/4	16	Opportunity for children to participate in inter-school sports and test themselves against children from other schools.
Tag Rugby	5	24	Opportunity for children to participate in inter-school sports and test themselves against children from other schools.
Football (Finals)	4	6	An opportunity for the children to play against other schools within North Oxfordshire. The team we took have qualified through to the next round providing them even more time to develop their football skills
Cross Country	1-6	30	A fantastic chance for pupils to develop self-determination and resilience within sport.
Multi-Skills	4	?	Opportunity for children to participate in inter-school sports and really work on developing unity and respect for all involved.
Swimming	5	9	Great event for pupils to individually compete in a sport.
Cross Country (Finals)	1-6	13	13 individuals have qualified through to the next stage of the cross country giving them more opportunities to participate within sport.

The additional funding has given the children of West Kidlington the opportunity to participate in after school clubs for free. Along with the external sport coaching companies that come and work with our school and our free after school club provision we are engaging more children outside of school hours.

EXTRA-CURRICULAR CLUB PARTICIPATION

Club	YEAR	NUMBER	IMPACT
Football/Tag Rugby (WK) TERM 1	1-6	60	This club has provided the children with an opportunity to develop their football/Tag Rugby skills whilst incorporating the key values here at West Kidlington.
Multi –Skills (WK) TERM 2	1-6	60	This has been a very popular club seeing the children develop their ABC's through a variety of different sporting activities.
Netball/Basketball (WK) TERM 3	1-6	60	This club has provided the children with an opportunity to develop their Netballs/Basketball skills whilst incorporating the key values here at West Kidlington.
Jujitsu (External)	1-6	20	
ACE Coaching	1-6	Various	ACE Coaching is our new provider of after school clubs on a Friday. Not only do they run these after school clubs, additionally they provide an active care programme which runs during the half terms and summer holidays.
